

The image features a dark, textured background. Three paper airplanes are scattered across the frame: one bright yellow one is positioned in the upper right, and two black ones are located in the middle left and bottom right. A dashed white line, drawn with chalk, traces a path that starts from the bottom left, loops around the black airplane in the middle left, extends towards the yellow airplane, loops around the black airplane in the bottom right, and finally ends near the bottom left again. The title 'Временные ряды' is written in a white serif font in the lower-left area.

Временные ряды
